

# GO PHISH

---

have you come across an unusual situation online? and your gut is telling you something isn't right - go phish.

**P**

## ***PAUSE***

- Slow down, most attacks rely on a sense of urgency

**H**

## ***HOVER***

- Hover over links, don't click. Read through carefully

**I**

## ***IDENTIFY***

- Red flags, demands, no common sense, guilt/worry

**S**

## ***SOURCE***

- Is it an expected sender? Trusted and known source?

**H**

## ***HOLD***

- Hold off, do research and check
